Dear Parents,

Welcome back to all our returning students and a warm welcome to our new families and dancers. We're glad you're here. Classes are booming and students are off to a great start. We accept students into classes until December so now is the time if your dancer would like to add another style or invite a friend to join class. Let the front desk know if your dancer is interested and we can help find the perfect class to add. We look forward to a wonderful year with your dancers. As always, if you have any questions please reach out!

Costume Fees Added to Accounts Dec 1st

Fee: \$85+ Tax

Shoes and tights are the responsibility of the dancer/parent and are NOT INCLUDED in the costume fee. Once distributed, families are responsible for keeping costumes clean and protected. It is customary for costumes to need minor alterations once they arrive. They are easily done at home by parents and we can talk you through it. Don't Worry!

Ballet production costumes billed separately.

We are measuring dancers for costumes soon, make sure you are attending classes consistently so we can get your measurements
